4. Collection and processing of personal data and the nature and purpose of their use

In the following, we inform you about the purposes and legal bases of data processing in connection with your visit of our account at X.

4.1 Contacting, interaction, commenting on contributions

We process your personal data, when you interact with us and other users and in order to inform you about our products and our company. We also process your data if you comment on our posts. In doing so, we process the following of your personal data:

- Date and time of interaction
- Type and content of interaction (e.g. likes, direct messages, comments)
- Profile name

We collect and process your personal data to respond to your interaction requests, for communications as well as for reporting on current topics of innovative vehicle design.

The legal basis of the processing is Article 6 para. 1f) GDPR. Our legitimate interest lies in the communication with you. In addition, our Twitter account is intended to enable you to contact us quickly and easily, as well as to inform you about current topics in innovative vehicle design. If you contact us via our Twitter account for the purpose of concluding a contract with us, Article 6 para. 1b) GDPR is the legal basis for the processing.

4.2 Evaluation for statistical purposes

For the purpose of demand-oriented design and continuous optimization of our offer on our Twitter account, we use the service Twitter Analytics. Through statistics, we receive anonymized information from Twitter about how successful our posts are or what interests our followers pursue. The categories of personal data processed in this process include for example age, gender, city, language and if applicable, further data provided by you.

The legal basis for the processing is Article 6 para. 1f) GDPR. Our legitimate interest lies in an improvement of our offer on X.

For more information on the purposes and legal basis of processing by Twitter, please visit: <https://twitter.com/de/privacy>.

5. Recipients

Within our company, only those departments and employees working there who absolutely need such access to fulfill their functions or tasks have access to your personal data.

We will only share your personal data with external recipients if there is a legal justification for this or you have consented to it.

External recipients may be:

- Processors: service providers we use to provide services or who are entrusted with the maintenance of our IT systems.
- Public bodies: Authorities and government institutions, such as courts or tax authorities, to which we may need to transfer personal data in individual cases

Twitter processes the data as described in Twitters privacy notices (<https://twitter.com/de/privacy>).

6. Data transmission to third countries

In any case, we only process your personal data in Germany and in the European Union. Regarding the third country transfer by Twitter, we refer to their data protection information (<https://twitter.com/de/privacy>).

7. Storage period

In any case, we store your personal data only as long as this is necessary for the fulfilment of the purposes described above. In the event of your objection, we will delete your personal data unless the further processing is permitted under the relevant legal provisions. In addition, illegal content will be deleted.

Regarding the deletion of personal data by Twitter, we refer to their privacy policy (<https://twitter.com/de/privacy>).

8. Data subject rights

If your personal data is processed, you are a data subject within the meaning of the GDPR and you have the following rights against the controller:

Access: You have the right to obtain information about the personal data processed about you.

Rectification: You can request the rectification of incorrect data concerning your person. In addition, you can request the completion of incomplete data.

Erasure: In certain cases, you can request the deletion of your personal data.

Restriction of processing: In certain cases, you can request that the processing of your personal data be restricted.

Data portability: If you have provided personal data based on a contract or consent, you can request that you receive the data provided by you in a structured, common, and machine-readable format or that it be transferred to another controller.

Withdrawal of consent: If you have given your consent to the processing of your data, you can withdraw this consent at any time with effect for the future. The lawfulness of the processing of your data until the withdrawal remains unaffected.

Individual right to object

Insofar as we process your personal data to protect our legitimate interests and thus based on Art. 6 para.1 f) GDPR, you have the right to object to this processing at any time for reasons arising from your particular situation. If you exercise your right to object, we will stop processing your data unless we can demonstrate - in accordance with the legal requirements - compelling legitimate reasons for further processing that outweigh your rights.

Right of complaint to the supervisory authority: You have the right to file a complaint with a data protection supervisory authority, in particular in the Member State of your habitual residence, place of work or place of the alleged infringement, if you consider that the processing of personal data concerning you is unlawful.
